Dear Chris:

First of all, let me offer my regrets for the lapse in time since we last communicated.

I appreciate the points that you raise in your letter to Dr. Gosselin. A Programme Officer is working with a national organization that would be interested in discussing this with you. The organization is the National Network for Mental Health which is a consumer/survivor association. They will be hosting their annual conference this coming fall and would be interested in involving you in their planning. This organization may provide a most appropriate vehicle for orchestrating the meeting we have discussed. The person to contact is:

Ms. Susan Hardie
Coordinator
National Network for Mental Health
490 York Road, Building E
Guelph, Ontario
N1E 6V4 Tel.: (519) 766-1032

I am certain that you will find this organization an excellent and helpful contact. Please keep me informed of future developments.

Sincerely,

Nancy Lawand
